

Guidelines: How to access the MHM Chat space

- Go to the MHM portal <http://www.socrates-mhm.net/>
- Click on **Meeting space**
- Click on **Chat**
- A pop-up window may appear, asking you to install "j.irc", click YES (SI)
- When you enter you will be assigned a name and number
- To register in your own name type the following in the white box at the bottom of the screen:
/nick name (leave one space between nick and name)
Example: /nick Anna
/nick Andrea
and then press the Enter button
- To type a message type in the white box at the bottom and press return
- The exchanges between participants in the computer conference will be visualised in the larger box
- In the event that the chat becomes blocked, wait for a moment and then re-load the page with the re-load button (with Explorer simply press F5).
